PROPRIETORS BEE HIVE

AS YOU LOOK AT IT.
My neighbor's girl's a nuisance,
And I wish they'd move away;
They've purchased a piano,
And she's learning how to play;
It's "tump, tump, tump," day after day,
The same thing over and over.
I wish the strings would break and they
Could ne'er find any more.
My boy has got a fiddle,
And he's learning how to play;
I expect that he'll be getting
Rich and famous, too, some day;
He practises ten hours
Out of every twenty-four,
And I wonder why the neighbors
Aren't friendly any more.

WELCOME CITIZEN.

Dr. A. N. Ellis, the Specialist, Locates Here For Active Practice.

West Union (O.) Seizin.

Dr. A. N. Ellis, the well-known eye and ear specialist, has located at Maysville. Five years ago Dr. Ellis gave up his immense practice at Cincinnati and moved to his old ancestral home in Sprigg Township, expecting to devote his entire time and efforts to farming, but since then so many people have called on him with diseases of the eye, ear and throat that he was compelled to settle and open an office in Maysville.

Dr. Ellis has had many long years of experience in his profession. He was connected for five years with the largest hospital and sanitarium in London, England. We are glad he has located in a town convenient to our people.

GENEROUS ACTION.

Colonel Charles D. Pearce Donates Toll on the Maysville and Mt. Sterling.

On Friday, May 5th, the county's lease on the Maysville and Mt. Sterling Turnpike will expire.

When the lease was made in 1895, it was hoped that by the expiration of the year the county bonds would be issued and that the Fiscal Court would purchase the road outright, as contemplated in the lease.

Such has not come to pass, however, and unless the Fiscal Court enters into some new arrangement nothing is left for the Turnpike Company to do but to restore the gates and resume the collection of toll.

But Colonel Charles D. Pearce, President of the Company, informs THE LEDGER that he intends to donate to the Board of Trade the tolls on his road from the 5th to the 9th of May, covering County Court Day, May 8th.

This is a very generous act on Mr. Pearce's part, and stamps him as a public-spirited citizen.

Washington and General Howe's Dog.

While the British occupied Philadelphia and the American force lay in winter quarters at Valley Forge, one day as Washington and his staff were dining, a fine hunting dog, which was evidently lost, came to seek something to eat. On its collar was the name, "General Howe." Washington ordered that the dog should be fed, and then he sent it to Philadelphia under a flag of truce, with a letter reading: "General Washington's compliments to General Howe. He does himself the pleasure to return to him a dog which accidentally fell into his hands, and by the inscription on the collar, appears to belong to General Howe." The British commander, in reply, sent a cordial letter conveying his warm thanks for this act of courtesy of his enemy.

COUNTY COURT DAY

More Attractions Next Month—
Reduced Transportation.

COME IN AND SWELL THE CROWD

Maysville wants another big crowd to come in next County Court Day, Monday, May 8th. The last day was made such a successful one, through the list of attractions offered by the business men, that an effort is being made to have even a larger crowd next month.

In the first place, in order to get the people here, reduced rates have been made on every public conveyance that reaches the city,—on the C. and O. Railway from Greenup down and from Foster up; on the L. and N. from Carlisle and Flemingsburg and intermediate points; on all bus lines, and lastly free ferriage to our Ohio friends.

After the people reach the city there will be plenty to take up their time.

Many prominent horse and cattle dealers will be on hand, and the stock sales will be brisk enough to interest everybody.

Then while the men are giving their attention to these sales the women have an opportunity to go shopping, and for their benefit the merchants of the town will keep open house. Last County Court Day was an unusually busy one for most of them, so this time they will be equal to the occasion and ready for the reception of their patrons.

The bargain tables will be loaded and not a better time could be found for restocking household and wardrobe.

In the afternoon, by way of entertainment, there is to be another balloon ascension by "Black Diamond," and the Maysville Band will give open-air concerts.

If this isn't enough for our country friends just notify the Board of Trade and your wants shall be attended to.

Don't forget the date, Monday, May 8th. Come in early and stay late.

A hearty welcome is assured you by the people of Maysville.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from ten drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address, F. J. CHENEY & CO., Toledo, O. Sold by druggists, 75 cents.

Hall's Family Pills are the best.

The Feast of Bargains in Good CLOTHING!

Men's and Boys' Shoes and Men's Furnishing Goods set before the people through Hechinger's retiring-from-business sale has awakened an interest with the buying community that the conventional clothing sales advertisement make impossible. It is a positive fact that customers from distances as far as 50 miles from Maysville are taking advantage of this sale. It is known that the stock consists of only first class merchandise, and when considered that the reduction of prices enables the public to buy the high class goods Hechinger & Co. carry for less than ordinary goods sold elsewhere it is no wonder that the storerooms are daily crowded. Thousands of dollars worth of goods that were contracted for before Mr. Hechinger's conclusion to retire from business are daily arriving. They share the same fate of those that were already in stock. They will be marked at prices that will make them sell. On Wednesday our

"Hopkins" Straw Hats!

will be on sale. To those who have worn them they need no recommendation. Those who have never worn them should try one. They are the best Straw Hats in the world. Ask the other hatters in town.

Ten Years Ago

Women's Peerless Lisle Thread Stockings
Sold for 50 Cents a Pair!

And they were fully as good as stockings of other makes that sold for 75c. Years kept rolling around and improvements were made from day to day. Gradually we bought lower and better, and in turn we handed to our customers the results of better buying. Slowly we hammered the price down, and today Women's Peerless Fast Black Lisle Thread Stockings are

25 Cents!

And better than those sold ten years ago for 50c. We believe in Maysville. We believe in Paved Streets. We believe in Improvements, whether in Hosiery, in Cities or in the Police Force. (This last is to arrest your attention.)
